## EDUCATION

### North Dakota State University, Fargo ND

Computer Science — December 2024

Relevant Courses: Intro to UNIX, Software Development with Frameworks, Comparative Programming Languages, Modern Software Development, & Database Systems

## EXPERIENCE

### IMM Health, Bismarck ND — *Data Management Clerk*

May 2022 - September 2022

- Developed IT skills by being a frequent correspondent for any tech related problems in the office.
- Utilized problem solving skills to help employers finish the migration of data from one medical records software to another.
- Learned what it takes to make a team run effectively and learned information on the processes of a hospital work system.

### Bell Bank, Bismarck ND — *Software Developer Intern*

September 2023 - Present

- Developed IT skills by being a frequent correspondent for any tech related problems in the office.
- Utilized problem solving skills to help employers finish the migration of data from one medical records software to another.
- Learned what it takes to make a team run effectively and learned information on the processes of a hospital work system.

## PROJECTS

### Personal Portfolio Website [WIP] - [halebradley.com](#)

February 2023

- Developed a web page using HTML, CSS, and JavaScript with React.
- Used wireframing with a focus on responsive design to ensure compatibility with all devices.
- GitHub: [HaleBradley/Personal-Portfolio-Website \(github.com\)](#)
